

Heartbleed: Your Information is Protected

In regards to the recent HeartBleed exploit, Dental Select has reviewed its systems and coordinated with any partner service providers. We can assure our clients and members that no data has been comprised. None of our core technologies or databases rely upon OpenSSL for encryption; however, as a precaution all security certificates have been reissued.

For additional information about the Heartbleed bug, you are welcome to visit <http://heartbleed.com>.

About Us

Dental Select is a privately-owned dental benefits company specializing in discount, PPO, indemnity, and self-funded dental plans. Our dental products are insured by ACE USA Insurance Companies, rated "A+" by A.M. Best.

Headquartered in Utah, Dental Select has been a recurring Utah 100 company, and on the Inc. 500 list of America's fastest growing companies. For the sixth year in a row, Dental Select was also ranked in the Utah Business Magazine Book of Lists Top 10 Health Insurance Providers.
